To the New Hampshire Region NSP board of directors and member patrols:

This letter is to announce my intentions to run for a second term as the New Hampshire Region Southern Section Chief. It has been a great honor to serve the NH Region, it's patrols and most importantly, we the patrollers on the hill.

With your support and vote this fall, I pledge to continue to be your voice at the region & division level. Looking forward to seeing most of you this fall at your annual refreshers. Please do not hesitate to share with me any comments, concerns or questions.

Thank You!

Jeff
