Deb Brown

NH Region Ski Patrol

Central Section Chief Statement

As a member of the National Ski Patrol for approximately 18 years, with most of that time spent in the New Hampshire Region, I feel qualified to act as the Central Section Chief for the NH Region. I not only patrol in the central section, I also live and work in the region and feel that it would be an honor and privilege to serve the patrollers in this section. I am very active both at my Primary Patrol (Ragged Mountain) and Secondary Patrol (Mount Washington Volunteer Ski patrol/Tuckerman Ravine) as a Senior Patroller and Instructor as well very active in the NH region as an OEC Trainer Evaluator, Ski and Toboggan Trainer Evaluator, MTR Trainer Evaluator and Women's Program TE. I also assist with Avalanche Programs within the Region. I am currently being mentored as a level one NSP Avalanche instructor. All of these programs take me outside the region to meet, participate and Instruct in Eastern Division programs such as Patroller Schools and Avy and MTR courses to name a few. I feel that my experience and commitment to my region would serve the central section well and I would be honored to take this knowledge to the patrollers in the CENTRAL SECTION.

Feel free to reach out to me through the NH Region Web Page if you have any questions! I would appreciate your vote!

Thanks!
