Dear NH Southern Section Patrol Directors & Patrollers,

I am seeking a second term for NH Region Southern Section Chief and would like to introduce myself to those of you who may not know me.

I have patrolled at Ragged Mountain Resort and secondary at Mt. Washington Volunteer Patrol for 18 years. I served as the NH Region Northern Section Chief for seven years (2011-2016). And I am also currently the NH Region Southern Section Chief. I would like to continue to serve the members of the NH NSP again by remaining in the position of NH Region Southern Section Chief. I have volunteered in many capacities over the past 18 years, which demonstrates my commitment to NSP as a dedicated member.

I pledge to support our NH Region and the Southern Section by keeping good communication with those patrols and patrollers. I will promote programs which the Geographic NSP has to offer the membership and to increase participation in those programs. If you are interested in hosting an NSP program or event at your mountain or wish to view the calendar and attend an event at another mountain I will help you through the process of scheduling and/or staffing if appropriate.

I will visit patrols in my section and be an open ear to issues and concerns which Patrol Directors and patrollers may encounter. I will work with you to facilitate reasonable solutions to keep NSP moving forward in a positive direction.

I will keep myself available for questions and or concerns. I will do my best to be helpful with logistics of administrative/registration processing procedures by connecting you to the appropriate contacts able to resolve situations in their expertise. Any items which I am able to address myself I will respond to in a timely manner.

I welcome your support this fall when voting takes place. Together we can continue to keep our NH Region strong and productive for our members by delivering quality educational, instructional and skills advancing programs within a fun, challenging and rewarding format.

I look forward to working with you this season. Let's make it a good one!!

Please encourage your Patrol members to vote and show support in this election process. Informed members who vote are our best tool for a strong NH Region
