

Central Section Chief Candidate Statement From Scott Jackson

As a member of NSP for 14 years in New Hampshire, I feel qualified to act as the Central Section Chief for the NH Region. I enjoy meeting with the patrols and Patrollers that dedicate their time to serving at their local areas. All the ski areas within the Central section have a lot to offer their local communities and I feel as though it is my duty to make sure that their voices are heard, concerns addressed, and any other feedback is given its full consideration.

I have served one term already as the Section Chief and would like to continue serving this region. I am asking for your consideration on this years ballot.

Scott Jackson
Current NH Central Section Chief
